

# 100 YEARS OF SERVICE

2015 Annual Report

## Dear Friends,

Thank you for supporting Marillac St. Vincent Family Services. As we celebrate our 100 years in Chicago, I want to reflect on our history in terms of light and darkness – and the hope that is at the heart of our mission.

One hundred years ago was a dark time. The world was in the throes of a war of unsurpassed brutality. In Lincoln Park and on Chicago's west side, immigrants lived in squalid tenements. It was a dark time on so many levels. Yet, in the darkness there was light. The Daughters of Charity came here and began their work of caring for the poor and helping to lift them out of poverty. Because of our mission and the Daughters' legacy, thousands of people have moved out of poverty and have been able to participate in the American dream.

Unfortunately, today there is still rampant poverty in our city with added elements of racism and violence that makes it difficult for people to advance and pursue their dream. In many ways, for many people, especially those whom we serve, these are dark times as they struggle to make ends meet. However, in the midst of the darkness there is light. I would like to point out some of these points of light.

First, are the folks who come through our doors each day. Most of them are highly motivated people who struggle to make ends meet, but who love their children and are doing their best to give them a bright future.

Then there are the Daughters of Charity who founded our mission and whose spirit continues to guide us today. There are fewer Daughters today, but they continue to be a source of strength and have worked mightily to pass on their charism so that we maintain the commitment to help those we serve to move out of poverty.

Our staff continues to be a source of light. Day after day they offer love and support to our children, families and seniors. When you come into Marillac or St. Vincent's, you cannot help but feel the love and joy that permeate both centers.

Our friends and donors have been magnificent in their support. At our Beacon of Hope Luncheon, Vince Foglia gave a wonderful talk about his belief in us and what we do. We are fortunate to have such people who demonstrate such strong support.

Finally, we have a strong Board of Trustees and Associate Board. We have been blessed with strong Board leadership that has guided us – and continues to guide us – through turbulent times.

Thank you again for making Marillac St. Vincent Family Services the light in times of darkness.

Sincerely,

A handwritten signature in black ink that reads "Bart Winters". The signature is written in a cursive, slightly slanted style.

Bart Winters  
President/CEO  
Marillac St. Vincent Family Services

A close-up portrait of Sister Patricia Dunne, an elderly woman with short, wavy grey hair, wearing glasses and a blue blazer over a white top. She is smiling warmly at the camera. The background is softly blurred, showing what appears to be an indoor setting with other people.

## SISTER PATRICIA DUNNE

### 50TH ANNIVERSARY DAUGHTER OF CHARITY

**S**ister Patricia Dunne, D.C. committed herself to 15 years of service at Marillac St. Vincent Family Services. She had two different roles at Marillac St. Vincent, first in the 1970s working directly with the families and then returning in 2006 to serve as the Vice President of Mission. Sister Patricia celebrated her 50th year as a Daughter last summer. She has been a huge part of our history and our lives as both our inspiration and our connection to why we're here – the Daughters and the mission set forth by St. Vincent and St. Louise.

A South Side Chicago native, Sister Patricia started by traveling from Mississippi up to Marillac to run Friendly Town in the summers, a program that placed children in South Dakota for two weeks with families. She was permanently placed at Marillac House in 1977, working with the incoming families to the child care program. It was where she felt she belonged. "I loved being there. I can't tell you. I felt like I was finally a Daughter of Charity." Though it was her first time working in a community plagued with violence, she always felt safe at Marillac. At the same time, she went back to school for a degree

in social work, her passion. When she received her Masters, she was missioned to other sites all over the country before being placed on the Provincial Council in Evansville, IN. Then, during the Marillac and St. Vincent collaboration in the early 2000s, the Council decided a Daughter was needed to teach the mission and the rich history of St. Vincent and St. Louise to employees in the organization.

And teach she did. Every employee in the organization knows the story of St. Vincent and St. Louise, thanks to Sister Patricia. As part of this work, she started the mission committees that are still going strong today. Her stories of her service are full of love for the children and for engaging with the history of St. Louise de Marillac and St. Vincent de Paul.

Thank you, Sister Patricia, for your 50 years of service to the people who have been touched by the love of the Daughters of Charity. We miss you, but we know the people in Emmitsburg, Maryland have been blessed with your kind words, your calming nature, and your prayers.

## LIGHTING THE WAY

**S**tacy Rutledge is a college-educated single mother of two. When Stacy first enrolled her 2-year-old son, Donovan, in St. Vincent de Paul Center's Early Child Development Program in 2012, she couldn't have imagined how the Center would change her life. At the time of Donovan's enrollment, Stacy was working in an entry-level position in the health

care industry, but has since climbed her way up to a management role with her company. Now at age 4, and in the middle of his final year of preschool, Donovan is reading books, solving math problems, and possesses social skills that set him apart from the other kids in his low-income community. Stacy has been able to advance in her career with the peace of mind that her

son is in a loving and nurturing environment. Because of the high quality programming at Marillac St. Vincent, Stacy is breaking the cycle of poverty that beset the neighborhood she grew up in on Chicago's South Side where she still resides. She's climbing the ladder to a better future, and Marillac St. Vincent was the first rung of that ladder.

**D**orianne Irons knew it was time to make big changes in her life so that she could provide for her two preschool daughters, Angel and McKenzie, following her husband's abandonment. Struggling with a learning disability and with no high school diploma, Dorianne was having a hard time finding work.

But the staff at Marillac House helped guide her towards accessing Temporary Assistance for Needy Families (TANF), a job training program, GED classes and Child Care Assistance, so that Angel and McKenzie would be well cared for while she pursued her goal of playing music and building a better life. The road to completing her GED

has been a tough road for Dorianne, but she gets closer every day by going to tutoring and studying hard. Soon she will be ready to enter the job market and, for the first time in her life, earn an income and begin supporting her family on her own. None of this would have been possible without Marillac St. Vincent.

**NEW PARTNERS  
EMPOWERING FAMILIES**

Three-year-old Laura comes to St. Vincent every day. She walks through the doors, which are safe and secure. She goes to her classroom where Miss Tonya sets her up with her Hatch computer, which teaches her how to read through touch screens and has a targeted program for literacy. Hatch Early Learning also makes tablets specifically designed for Preschool children, like Keisha. These tablets allow Keisha to log on through a picture and play educational games that record data about her developmental level in several areas, including logic, reasoning, math, and science awareness.

## DID YOU KNOW?

More than **80%** of our children entering kindergarten meet or exceed milestone expectations – the national average for children is **48%**.<sup>1</sup>

Our kids report that they feel safe at Marillac St. Vincent. This is amazing considering the violence that plagues the communities we serve. In 2012, Chicago had more homicides than any other city in the country (500+). In 2013, Chicago still had 400+ homicides, surpassing New York. But, we are able to keep our children, youth and clients we serve safe. Our kids, like Laura and Keisha, feel safe because we've been able to enhance safety over the past two years in many ways. We've added extra locks to the main entrance doors, changed check-in procedures, upgraded security cameras and added classroom locks. This fall, we had our first-ever lock-down drill. Thanks to training on safety and best practices from a security company, teachers and staff can protect our children when they are inside our doors.

We want to thank Sammons Financial Group for their gifts, which impact over 800 children and have made our families feel safe and given our children access to the most up-to-date technology that gives them the right tools to succeed. Because of gifts such as those from Sammons Financial Group, we can help to end the cycle of poverty in Chicago.

# MARILLAC ST. VINCENT FAMILY SERVICES FISCAL YEAR 2015 HIGHLIGHTS

## Community Outreach Services

- Our food pantries served over 7,500 households
- 97% application approval rating for our utility assistance program
- 97% of our Senior Services clients were successfully supported to allow them to remain aging in place
- Case Managers provided 109 transportation and escort services for medical appointments and grocery shopping
- 100% of our active seniors attended all 10 Take Charge Meetings

## Child Development

- 80% of our children met or exceeded expectations for kindergarten in 6 of the 7 categories: social-emotional, gross motor, language, fine motor, cognitive, and literacy
- 12 boys in our school-age program took part in a 6-week small group on bullying.
  - 100% reported they felt it was a safe place to share their experiences
  - 100% reported they learned a lot about bullying
- School-age teachers took part in 4 trainings throughout the year: bullying, development of appropriate discipline practices for school-age youth, youth violence and prevention, and social skills

*Weber Grills held a summer block party for our children and youth.*

## Hope Junior

- 100% of teens participating in the program were enrolled in high school
- 100% of teen youth counselors either went on to college or are enrolled in high school
- Hope Junior took 40 field trips, including 6 overnights to Rustic Falls and two day trips with 120 people in attendance

## Project Hope

- 100% prenatal and postnatal visits were completed
- 95% of Project Hope babies were immunized
- 100% of babies were enrolled with a medical provider

## BUILDING DREAMS: A CAMPAIGN FOR OUR COMMUNITIES

100 Years. We've done a lot in this first century. Our vision for the next century of service is to end the cycle of poverty in Chicago. With the first phase of *Building Dreams: A Campaign for Our Communities*, we've raised \$9.5 million, which

has allowed us to build the Vince & Pat Foglia Family & Youth Center, build up a Board-restricted endowment, complete our safety/security upgrades, and create a capital improvements fund.

# Campaign Goal: \$24.875 million over 5

Though the doors of the Vince & Pat Foglia Family & Youth Center have only been open for a year, the new facility is already drastically transforming lives. Children and youth are thriving in their new classrooms and gym, teen parents are building stronger relationships with their newborns and toddlers, adults are gaining basic computer skills in the lab, and families have convenient access to nutritious food from our pantry.

As we focus on the second phase, this will allow us to grow our programs while funding the much-needed services and the day-to-day needs of our organization.

5 years

109% of Phase 1 goal reached

6.125 million  
= \$4.375 MILLION

million to final goal

20 MIL

25 MIL

## Campaign Priorities:

### 1. FORTIFYING FACILITIES

- Complete the Vince & Pat Foglia Family & Youth Center
- Establish a capital improvement fund for all facilities on the Marillac St. Vincent Family Services campuses
- Enhance security for both campuses
- Build a new school-age playground at St. Vincent de Paul Center

### 2. INSPIRING DREAMS

- Keep families engaged over the entire spectrum of a child's development—from early childhood through college
- Ensure a continuum of care for all of our clients that prevents them from slipping through the cracks and missing out on the lasting benefit of our holistic services and programs
- Expand staff expertise and professional development opportunities for our teachers and program personnel

### 3. CULTIVATING PROGRAMS

- The resources made available through the annual fund during our comprehensive Campaign will enable Marillac St. Vincent Family Services to expand and enhance our current program offerings for children, teens, families, seniors and people living on the margins in our community
- The Campaign will also enable us to adapt to emerging needs and develop new programs on both campuses

MARILLAC  
St.VINCENT  
— Family Services —

**YOUR SUPPORT HELPS US FULFILL  
OUR MISSION. THANK YOU.**

**OUR VISION**

Ending the cycle of poverty.

**OUR MISSION**

Marillac St. Vincent Family Services strengthens, empowers and gives voice to those in need – in the Vincentian spirit of service – through education and comprehensive programs to build vibrant communities in Chicago.

For more information visit our website:

**[www.marillacstvincent.org](http://www.marillacstvincent.org)**
